CONSENT FOR TREATMENT

I consent to have OrthoSport Hawaii, LLC (OSPT) and/or its affiliates to provide the treatment and care prescribed by my physician(s). I understand this consent may be revoked by me at any time.

AUTHORIZATION TO RELEASE MEDICAL RECORDS and ASSIGNMENT OF INSURANCE BENEFITS

I authorize OrthoSport Hawaii LLC, or its legal representative, to release to my insurance company or its representative any information including the diagnosis and the records of any treatment or evaluation rendered to me during the period of such care. I hereby authorize payment of medical benefits to which I am entitled to OrthoSport Hawaii, LLC (OSPT) for medical services rendered.

FINANCIAL AGREEMENT and PAYMENT POLICY

I understand that I am financially responsible for all charges whether or not paid by said insurance. These include deductible, co-payment, cost-share, and/or non-covered benefits. In the event of default, I shall be responsible for all costs of collection and reasonable attorney fees. Furthermore, I authorize payment of medical benefits to which I am entitled, to OrthoSport Hawaii, LLC for medical services rendered. I understand that payment is due at the time of service. We accept credit cards, cash, or personal checks.

APPOINTMENT CANCELLATION POLICY & CANCELLATION FEE SCHEDULE

We require 24 hours advance notice for any RESCHEDULE or CANCELLATION of scheduled appointments. This allows us reasonable time to offer your scheduled appointment time to other clients that may be on a wait list. We do have 24 hour answering machines for your convenience during non-working hours, weekends, and holidays.

In fairness to our other clients and staff we do charge a cancellation fee for appointments that are not kept, or which are cancelled with less than 24 hours notice. Cancellation fees must be paid in full at the time of your next appointment. Our cancellation fee schedule is as follows:

- No Fee for the first appointment missed or cancelled with less than 24 hours notice.
- \$50 for each subsequent appointment missed or cancelled with less than 24 hours notice.

A special note for our clients who have Medicaid plans as their primary insurance. Due to the constraints of Medicaid, you are not subject to cancellation fees. However, upon your third cancellation with less than 24 hours notice, your case will be discharged and your physician will be notified of your progress to date and reason for discharge.

Regardless of cancellation fees paid, repeated cancellation or missed appointments will limit the therapeutic benefit of treatment. Depending upon your individual case and your particular insurance plan, we may be required to discharge you as a patient and notify your referring physician in the case of repeated cancellations or missed appointments.

I certify that the information I have provided above is correct. I permit a copy of this authorization to be used in place of the original.

This authorization is valid until revoked by me in writing.
